RE: Statement from Board Meeting

The NORCOR Board of Directors voted unanimously on August 20, 2020 to discontinue housing all custodies for the Federal Immigration and Customs Enforcement agency. This decision comes as the overall numbers of in custody episodes has declined over the past year, decreasing the reliance of revenue for the NORCOR Budget. The NORCOR Management Team will initiate the steps within contractual requirements to terminate the housing agreements. An update will be provided to the NORCOR Board at the September regular meeting.
